To: The Shareholders of GD Express Carrier Bhd

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

At the AGM held on 2 December 2015, the Company obtained a shareholders' mandate from its shareholders for the GDEX Group to enter into Recurrent Related Party Transactions. The aforesaid authorisation shall in accordance with the Listing Requirements lapse at the conclusion of the forthcoming AGM unless approval for its renewal is obtained from the shareholders of the Company at the forthcoming AGM.

On 29 September 2016, the Board announced that the Company proposed to seek the shareholders' approval on the following which are necessary for the GDEX Group's day-to-day operations and are in the ordinary course of business, which the GDEX Group may from time to time enter into in accordance with Paragraph 10.09, Part E of the Listing Requirements:-

- (i) Proposed renewal of the existing shareholders' mandate for recurrent related party transactions of a revenue or trading nature; and
- (ii) Proposed new shareholders' mandate for recurrent related party transactions of a revenue or trading nature.

The purpose of this Circular is to provide you with the relevant information on the Proposed Shareholders' Mandate, and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM of the Company to be held at Hall 10, Tingkat 7, Ideal Convention Centre (IDCC) Shah Alam, Jalan Pahat L15/L, Seksyen 15, 40200 Shah Alam, Selangor Darul Ehsan on Tuesday, 6 December 2016 at 11:00 a.m. The Notice of AGM together with the Form of Proxy are enclosed in the 2016 Annual Report.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provisions under the Main Market Listing Requirements

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders in respect of recurrent related party transactions which are necessary for its day-to-day operations subject to, amongst others, the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:

“in relation to a listed issuer with an issued and paid-up capital which is RM60 million and above –

- (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transactions is RM1 million or more; or
- (ii) the percentage ratio of such Recurrent Related Party Transactions is 1% or more,

whichever is the higher”;

- (c) the listed issuer's circular to shareholders for the shareholders' mandate includes information as may be prescribed by Bursa Securities;
- (d) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a recurrent related party transaction entered into by the listed issuer, exceeds the estimated value of the recurrent related party transaction disclosed in the circular by ten percent (10%) or more and must include the information as may be prescribed by Bursa Securities in its announcement.

In the ordinary course of its business, the GDEX Group has entered into certain Recurrent Related Party Transactions and it is anticipated that the companies within the GDEX Group would, in the ordinary course of business, continue to enter into such transactions with the Related Parties, details of which are set out in Section 2.5 (a). It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In this regard, the Board proposes to seek a general mandate from the shareholders of the Company to enter into arrangements or transactions with the Related Parties, which are necessary for the day-to-day operations of the GDEX Group based on normal commercial terms that are not more favourable to the Related Parties than those generally available to the public.

2.2 Validity period for the Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate, if approved by the shareholders of the Company at the forthcoming AGM, will take effect from the date of the passing of the proposed ordinary resolution at the AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the general meeting, the authority for the proposed mandate is renewed;
 - (b) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 143(1) of the Act (but will not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or
 - (c) revoked or varied by resolution passed by the shareholders in general meeting,
- whichever is the earlier.

Thereafter, the approval of the shareholders of the Company will be sought for the renewal of the shareholders' mandate at each subsequent AGM of the Company.

* The amount represents the estimated value of transactions that will be undertaken during the Proposed Mandate Period. These estimated values have been arrived at by the GDEX Group after taking into account the Management's forecasts on transaction values which have been undertaken and anticipated for the Proposed Mandate Period. Nevertheless, the above estimates may vary from the actual amounts and are subject to changes.

The projected amount from 6 December 2016 (date of AGM) to the date of next AGM are based on historical records and projected business transactions volume of the respective Recurrent Related Parties Transactions.

(b) Amount Due From and Owing by Related Parties under Previous Mandate Obtained

As at end of the financial year ended 30 June 2016, there is no amount due and owing by the Related Parties pursuant to the Recurrent Related Party Transactions that has exceeded the credit terms.

(c) Methods or procedures on which transaction prices are determined

The terms, including pricing of the Recurrent Related Party Transactions as set out above are based on normal commercial terms and on transaction price practiced in the industry and are also on similar terms if the same were to be offered to/by third parties. At least two (2) other contemporaneous transactions with unrelated third parties for similar products, services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products, services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction process will be determined based on the Group's usual business practice.

2.6 Threshold of authority

There is no specific threshold for approval of the Recurrent Related Party Transactions within the GDEX Group. However, all Recurrent Related Party Transactions are subject to the approval of the Board. Where any Director has any interest (direct or indirect) in any Recurrent Related Party Transaction, such Director shall abstain from deliberation and voting on the matter. If it is determined that the guidelines and/or procedures stipulated in Section 2.7 of this Circular, are inadequate and to ensure that:

- (a) Recurrent Related Party Transaction(s) will be conducted on an arms' length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public; and
- (b) such transaction will not be detrimental to the minority shareholders of the Company or prejudicial to the interests of the shareholders,

the Company will obtain a fresh shareholders' mandate.

2.7 Review methods or procedures for Recurrent Related Party Transactions

The following review procedures have been formalised to ensure that Recurrent Related Party Transactions contemplated under the Proposed Mandate are undertaken on transaction prices and terms no more favourable to the Related Party than those generally available to the public, and are not to the detriment of the minority shareholders of the Company:

- (a) Identification
 - (i) A list of the Related Parties will be circulated within the GDEX Group to notify that all Recurrent Related Party Transactions are required to be undertaken on an arm's length basis, under normal commercial terms consistent with the GDEX Group's business practices and policies, on terms not more favourable to the Related Party than those generally available to the public and not to the detriment of the minority shareholders of the Company.
 - (ii) All companies within the GDEX Group are required to inform the Company's headquarters before entering into any Recurrent Related Party Transactions other than those entered into pursuant to the shareholders' mandate. In addition, all heads of department are advised to report on all transactions involving related parties which are to be tabled to the Audit and Risk Management Committee for review on a quarterly basis.

(b) Authorisation

- (i) The pricing methods and procedures of the transactions are to be determined by market forces, under similar commercial terms for transactions with third parties that depend on the demand and supply, quality and the availability of the products/services.
- (ii) All types of Recurrent Related Party Transactions are carried out at arm's length and on the GDEX Group's normal commercial terms which are no more favourable to the related parties than those generally available to the public, and are not to the detriment of the minority shareholders of the Company.
- (iii) The Related Parties and Directors who are deemed interested have been advised of their responsibilities, obligations under the Listing Requirements, and the GDEX Group's policy and procedures for Recurrent Related Party Transactions.
- (iv) If a member of the Board or Audit and Risk Management Committee has an interest, direct or indirect, in any Recurrent Related Party Transaction, he/she shall abstain from any decision-making by the Board or Audit and Risk Management Committee in respect of the said transaction.

(c) Monitoring and Reporting

- (i) A register shall be maintained by the respective companies within the GDEX Group to record all Recurrent Related Party Transactions, including Related Party Transactions which are entered into pursuant to the shareholders' mandate. All Recurrent Related Party Transactions shall be reported to the Audit and Risk Management Committee on a quarterly basis together with the quarterly financial reports.
- (ii) The annual internal audit plan shall incorporate a review of all Recurrent Related Party Transactions entered into pursuant to the shareholders' mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to. Any divergence will be reported to the Audit and Risk Management Committee.
- (iii) The Audit and Risk Management Committee shall review the annual and periodic internal audit reports to ascertain that the guidelines and procedures established to monitor all Recurrent Related Party Transactions have been complied with.
- (iv) The Audit and Risk Management Committee has reviewed and shall continue to review the adequacy and appropriateness of the procedures as and when required, with the authority to sub-delegate to individuals or committees within the Company as they deem appropriate.
- (v) If during the annual or periodic review as mentioned in Sections (c)(iii) and (iv) above, the Audit and Risk Management Committee is of the opinion that the guidelines and procedures are not sufficient to ensure that all Recurrent Related Party Transactions are undertaken:
 - on arm's length basis;
 - under normal commercial terms consistent with the GDEX Group's business practices and policies;
 - on terms no more favourable to the related parties than those generally available to the public; and
 - not to the detriment of the minority shareholders of the Company,

the Company will procure a fresh mandate from the non-interested shareholders of the Company based on a new or additional set of review procedures and guidelines.

2.8 Disclosure in annual report

Disclosure will be made in the Company's annual report of the breakdown of the aggregate value of the Recurrent Related Party Transactions made during the financial year, amongst others, based on the following information:

- (a) the type of Recurrent Related Party Transactions made; and
- (b) the names of the Related Parties involved in each type of the Recurrent Related Party Transactions made and their relationship with the Company.

2.9 Audit and Risk Management Committee's Statement

The Audit and Risk Management Committee has seen and reviewed the procedures and processes as set out in Section 2.7 above and is satisfied that the GDEX Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner as well as to ensure that the Recurrent Related Party Transactions will be undertaken:

- (a) on arm's length basis;
- (b) under normal commercial terms consistent with the GDEX Group's business practices and policies;
- (c) on terms no more favourable to the related parties than those generally available to the public; and
- (d) not to the detriment of the minority shareholders of the Company.

The Audit and Risk Management Committee reviews the procedures and processes in Section 2.7 periodically, as and when the need arises.

The Audit and Risk Management Committee is also of the view that the above procedures in Section 2.7 are sufficient to ensure that Recurrent Related Party Transactions are not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Recurrent Related Party Transactions entered into by the GDEX Group with the Related Parties are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such Recurrent Related Party Transactions. Consequently, this will eliminate the need to make regular announcements to Bursa Securities and to convene separate general meetings from time to time to seek shareholders' approval as and when the need arises. Also, it would substantially reduce administrative time, inconvenience and expenses associated with the making of announcements and convening of such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the GDEX Group.

THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK

The Recurrent Related Party Transactions entered into by the GDEX Group with Singpost, QSI (M), QS(S), YMT Asia and YMT Transport are in the ordinary course of business on normal commercial terms and not detrimental to minority shareholders' interests. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions will generate income and expenses to both GDEX Group and the Related Parties. It is in the best interest of the GDEX Group to transact with such related parties so that GDEX Group and the Related Parties could enjoy synergistic benefits. The Proposed Shareholders' Mandate would also enable the GDEX Group to broaden its customer base to include related parties.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any material effect on the share capital, shareholdings of the substantial shareholders, earnings per share, net assets per share and working capital of the GDEX Group.

5. CONDITION OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is subject to the approval being obtained from the shareholders of the Company at the forthcoming AGM.
